

Team In Training - Hike

Directions to

Cheeseboro Canyon

(Cheeseboro/Palo Comado Canyons)

Our meeting time is 8:30 am on Saturday, December 5, 2009

Travel directions to Cheeseboro Canyon from the East (IE: coming from the 405)

From the Ventura Freeway (101) traveling toward Ventura (called North on freeway signs)....

- Exit on Chesebro Road.
- Turn right onto Palo Comado Canyon Road.
- Travel approximately 200 yards.
- Turn right onto Chesebro Rd.
- Take this 0.7 mile to the main entrance to the Cheeseboro/Palo Comado Canyons site on your right.
- Turn right and head to the parking lot inside the gate next to the bathrooms

If you are traveling from Thousand Oaks, Westlake, etc

From the Ventura Freeway (101) traveling toward LA (South on freeway signs)

- Exit at Chesebro Rd
- Turn Left onto Palo Comado Rd as it winds its way North over the freeway
- Turn Right onto Chesebro Rd
- Take this 0.7 mile to the main entrance to the Cheeseboro/Palo Comado Canyons site on your right.
- Turn right and head to the parking lot inside the gate next to the bathrooms

* **Note** that, even though the 101 runs East/West in this area, most road signs call the direction it takes toward Ventura “North”. Conversely heading toward LA, most signs call that “South”. Please be aware of this as you travel.

The park gates open at 8am, sometimes earlier on weekends. Parking is free. There are bathrooms there.
