The sport and team that I am most interested in:

Marathon — We have 3 marathon teams. Which is most convenient for you?

<input type="checkbox"/> Orange County	<input type="checkbox"/> Inland Empire	<input type="checkbox"/> Temecula
--	--	-----------------------------------

Cycle (Only one team. They meet throughout Orange County.)

Triathlon (Only one team. They meet throughout Orange County.)

Hike (Only one team. They meet throughout Orange County.)

It is preferred that each Honored Teammate visit their assigned team at least twice throughout the season. All teams meet on Saturday mornings around 7:30am. The better connection that our participants have with their Honored Teammates, the more successful they are in their fundraising campaign.

In addition to these two visits, your team's Campaign Manager will invite you to all team gatherings and you are more than welcome to attend if your schedule allows. We have also found that a couple of emails, letters, or phone calls throughout the training go a long way to keep the participants connected to our mission.

*Completion of this application does not necessarily mean you will be an Honored Hero this season. We often have multiple people interested per season and there is only one Hero per team each season. If we cannot accommodate you this season, you will be contacted about the possibility of being the Hero for a future season.
