

TELLING YOUR STORY

2

TURN OF EVENTS

Did something happen? Let your donors know. (ex: cancer diagnosis, relapse, financial burden, etc.)

1

TELL A STORY

Start out by telling a compelling story about your honored teammate or why you are fundraising.

3

CREDIBLE

Make sure your story is rooted in concrete facts: if you are telling someone else's story, make sure you mention their name often and provide credible facts.

4

THANKFULLY

This where you tell your donor the positive outcome of the turn of events and how LLS helped.

6

HOW CAN THEY HELP?

Tell the donor how they can help and how their donation will make a difference.

5

ENDING

They live happily ever after! (If this is a sad story, direct the audience to what they can do and how they can help and/or why we need continued funding and support.)

7

CALL TO ACTION

Make sure the donor knows what to do next and how they can help or get involved.
