

Until Cancer Is Canceled Fundraising Ideas

Option #1: Stay active while raising critical funds!

1. Post this image on your LLS-linked Facebook Fundraiser <https://llsdata.box.com/s/bwgrlwcp37yzf7ab3limbs8bviau2nes>
2. Promise to do a workout of their name when they donate. **Alternate option:** They can send you the name of one of their honored heroes. You do the workout for their name instead.
3. Post a video of yourself doing the workout and tag them to thank them for their donation!

Option #2: Get your friends active while raising critical funds! Post this image and message on your Facebook and tag 5+ people.

Cancer patients are immunocompromised which means they need our help now more than ever! So until cancer is canceled, I challenge you:

Donate "\$XX" here to fund cures: [HTTP://insert_your_fundraising_link]

OR

Share a video of yourself doing the workout with the letters from your name and tag 5 friends! Challenge them to donate to my fundraising page or record themselves doing the workout.
